

## FY2018 CoC Program Competition

### SUMMARY

In an effort to increase Permanent Supportive Housing (PSH) to our county, it was determined that the Haven's WIN program funding would be reallocated to a new PSH project at Summit Pointe Housing. The funding decisions can be found on the website at <http://www.tcccalthoun.org/funding/>. This year, we also had an opportunity to apply for DV Bonus funds. Neighborhood's Inc, in partnership with SAFE Place, competed for those funds for a PH-RRH project and it was approved by the Housing Solutions Board (HSB) on 8/10/2018. All other projects were renewals. Finally, all submitted projects were reviewed and ranked by the HSB on 8/10/2018, the spreadsheet is below.

### BONUS PROJECT:

Domestic Violence (DV) Bonus will provide housing and services to survivors of domestic violence, dating violence, and stalking.

- Rapid Re-housing (PH-RRH) project: Neighborhoods Inc with SAFE Place to aid those that have fallen victim to or are escaping domestic violence and have become homeless in the process.

### PLANNING GRANT:

The Coordinating Council will reapply for the planning grant funding to assist with administrative costs for the CoC Coordinator.
