Approximately 500 – 600 people in need attend the event.

Haircuts provided by volunteers is an important service at the event. The planning committee is in search of hairdressers and barbers to volunteer their time on Friday, October 18, 2019 from 9:00 – 1:00 pm. You will have to bring your own clippers, combs, scissors and other materials. You will have to bring your own sanitizing equipment. Electricity and a chair provided. A volunteer from the planning committee organizes the waiting list.

Volunteers can cut hair for the full four-hour time, or for just a couple of hours, whatever your schedule allows.
